Italian Coat

Selected Italian worsted pure-wool fabrics offer a soft, substantial feel with warmth and comfort. Designs include solid colors, bold two-tone herringbone jacquards, and rugged checks. Paired with double-breasted, peak-lapel coats, the collection blends classic Italian aesthetics with modern style.

A detailed line drawing of a single-breasted business suit jacket. The jacket features a notched lapel, a single button closure, and a welt pocket on the left chest. The sleeves have decorative button tabs. The drawing uses solid lines for the main structure and dashed lines for internal details like the lapel and pocket.

Official Business

Australian superfine Merino wool, with its natural crimp, creates an insulating air layer for enhanced warmth. The wool-cashmere blend is finely combed using Italian techniques to remove coarse fibers, retaining only the finest fibers for a soft, refined feel. Hollow cashmere fibers provide up to 8× the warmth at one-third the weight of wool, combining exceptional warmth and lightweight comfort with refined business style.

Craftsmanship

Double-face wool coats continue the luxury outerwear legacy with soft, lightweight wool and a relaxed silhouette for casual-business and comfortable wear. Made from premium cashmere and wool, they feel smooth, dense, light, crisp, elastic, and highly warm. Available in vivid colors, hand-tailored construction, and exquisite hand-stitching by skilled artisans.
